Pendergast Joins CHR Solutions Board of Directors

Houston, TX (November 3, 2009)

Jim Pendergast, current chairman of the city of San Marcos Sunset Review Commission, has joined the CHR Solutions board of directors. Mr. Pendergast is an attorney with more than twenty-five years' experience managing small telecommunications companies.

"We are pleased with the addition of Mr. Pendergast to our board of directors," said James Taylor, chairman and CEO of CHR Solutions. "His level of professional expertise, previous success in overseeing change management, and his background in telecommunications will be a valuable asset and a guiding force for CHR."

Mr. Pendergast is currently serving as chairman of the city of San Marcos Sunset Review Commission, which reviews thirty city commissions, boards and committees. He was CEO and co-founder of Fiber America, Inc., which developed a facilities-based broadband fiber optic network serving Austin and San Antonio, until it merged with El Paso Global Networks in 2002. Previously, he spent nearly twenty years with San Marcos Telephone Company, where he was president and CEO from 1982 to 1994. Mr. Pendergast is a past president of both the Texas Telephone Association (TTA) and the Organization for the Protection and Advancement of Small Telecommunications Companies (OPASTCO). He has also served in leadership positions for a number of organizations, including the United States Telecom Association (USTA) and the Texas State Board of Public Accounting.

ABOUT CHR SOLUTIONS:

CHR Solutions is the largest single-source provider of professional business services to tier two and three independent and rural telecom providers. CHR prides itself in offering clients dedicated, resource-rich, world class service and support while maintaining customized care and personalized interaction through local delivery teams. CHR assists clients in managing risks, aligning technologies, growing revenues, improving operations and controlling costs. Services include regulatory/business compliance, financial services, marketing services, operational optimization, engineering, wireless strategy, software solutions and many more. CHR Solutions provides services to clients in all 50 states and internationally, through a network of 14 offices in eight states.
